

Meet new business partners at BIOFACH 2022– Matchmaking lunch with exporters from Albania, Colombia, Peru, Serbia, Tunisia and Ukraine.

Date & place

Friday, 29 July 2022 // 13:30 – 15:00 // Biofach Nuremberg – Congress Center NCC Ost, Room Helsinki

Purpose

Casual business lunch to provide matchmaking opportunities for exporters from Albania, Colombia, Peru, Serbia, Tunisia and Ukraine - partner countries of Swiss trade promotion.

Target groups

Organic exporters from selected countries, European importers of organic products, Business Support Organisations and partner institutions.

Registration

The number of participants is limited. Please [register](#) for this matchmaking event (access can only be assured for registered participants). Registration is free of charge.

Hosts of the event

This event is hosted by the two trade promotion programs OT4D and SIPPO - financed by the Swiss State Secretariat for Economic Affairs (SECO):

OT4D – The Organic Trade for Development Program, implemented by IFOAM - Organics International, together with HELVETAS Swiss Intercooperation and FiBL. The OT4D project supports the development of the organic sectors and markets in Albania, Serbia and Ukraine.

SIPPO – The Swiss Import Promotion Program Supports Business Support Organisations (BSOs) Worldwide in opening new markets. SIPPO is financed by SECO and implemented by Swisscontact, with presence in Albania, Bosnia and Herzegovina, Colombia, Indonesia, North Macedonia, Morocco, Serbia, Peru, South Africa, Switzerland, Tunisia and Vietnam.

Implementing Partners

Organic Stakeholder Platform Albania, Organic Stakeholder Platform Serbia, Stakeholder Platform *Organic Initiative* Ukraine, Chamber of Commerce Serbia, SIPPO, AIDA (Albania), AAM (Albania), Serbia Organica (Serbia), EEPO (Ukraine),

Organisational Support by AoEL (Germany), IG BIO (Switzerland), OPTA (The Netherlands)
